

# Am I Wrong

## Love Spit Love

There's too much that I keep to myself  
And I turn my back on my faith  
It's like glass when we break  
I wish no one in my place And I've seen  
You don't need their seeds  
When their dirt goes in deep  
And I'm lost in sleep I can't stay in this place  
I can't stand when the room turns round  
On my fate you give no guarantees  
There's no promise I can keep I can't stand, I can't see my way  
I feel blind on my feet  
I can't stay too long  
Am I wrong? Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck but u don't see me  
am I wrong  
I'm so tired of my mood and sleep comes  
With a knife, fork and a spoon  
You're so pale in your face  
You let life get in your way And I've seen  
You don't need their seeds  
When their dirt goes in deep  
And I'm lost in sleep  
Am I wrong? yes you are  
so am I wrong Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck  
Goodbye, lay the blame on luck
