

# Ghost Town

## Cheap Trick

Well, the streets are all crowded  
Lots of people around  
And there's music playing  
But I can't hear a sound Just the sound of the rain  
Falling silently down  
Livin' ain't been livin'  
Since you put me down Yeah, life goes on around me every day  
But it might as well be  
Half a million miles away It's like a ghost town without your love  
Like a ghost town without your love  
Like a ghost town, baby, can't you see?  
It's a ghost town, until you come back to me  
Oo, oo, till you come back to me Well, I wish I still had you  
Had you here next to me  
Baby, where did you go?  
Baby, why did you leave? Oh, the world, it keeps turnin'  
But it don't turn for me  
Without you in my life  
My life ain't no place to be There's only lonely days and empty nights  
Ain't the same without you, baby  
Nothing's feelin' right  
Nothings feelin' right It's like a ghost town without your love  
Like a ghost town without your love  
Like a ghost town, baby, can't you see?  
It's a ghost town, until you come back to me  
Oo oo, till you come back to me Darlin', I wanna leave this town  
Don't wanna be around  
I'm gonna leave this town  
It's like a ghost town Its like a ghost town without your love  
Like a ghost town without your love  
Like a ghost town, baby, can't you see?  
A ghost town, until you come back to me  
Oo oo, till you come back to me  
Its like a ghost town  
Its a ghost town Hey hey, its like a ghost town, cant you see?  
Its like a ghost town  
'Til you come, till you come back to me  
Oo oo oo, 'til you come, till you come back to me
