

# Nasty Nasty

## Die Toten Hosen

Nasty, nasty, walk the streets at night  
Nasty, nasty, looking for a fight  
Nasty, nasty, you're the reason why  
Nasty, nasty, made somebody cry  
What the hell is wrong with you?  
What the hell you gonna do?  
You gonna do  
Nasty, nasty, always telling lies  
Nasty, nasty, never really tries  
Nasty, nasty, want to make them pay  
Nasty, nasty, brave to turn away  
What the hell is wrong with you?  
What the hell you gonna do?  
You gonna do  
Nasty, nasty, rivals blaming you  
Nasty, nasty, all explosion news  
Nasty, nasty, adding up the score  
Nasty, nasty, what's it really for  
What the hell is wrong with you?  
What the hell you gonna do?  
You gonna do  
What the hell is wrong with you?  
What the hell you gonna do?  
You gonna do  
Nasty, nasty, shocking head to feet  
Nasty, nasty, think you're really neat  
Nasty, nasty, into something new  
Nasty, nasty, soon that won't be true  
What the hell is wrong with you?  
What the hell you gonna do?  
You gonna, you gonna, you gonna do  
Nasty
