

My Baby & Me (feat. Nik Qistina)

Darren Espanto

Let's take a chance
Take a chance on love
Nobody understands
It's serious
Cuz every time you need me
I get butterflies
And I can't get you, get you off my mind
I keep saying
You're the best thing that ever happened to me
I've been waiting
I've been waiting, yeah
My baby, My baby
My pretty baby & me
It's time for us to get down
I really really want you around
My baby, My baby
My pretty baby & me
It's time for us to get down
I really really need you now
My baby, My baby
My baby, My baby & me
My baby, My baby
My baby, My baby & me
I got a thing
Got a thing called love
Nobody ever could come between us
Baby your so special
Is it the one for me
And I can't stop thinking
Thinking about you constantly
I keep saying
You're the best thing that ever happened to me
I've been waiting
I've been waiting, yeah
My baby, My baby
My pretty baby & me
It's time for us to get down
I really really want you around
My baby, My baby

My pretty baby & me
It's time for us to get down
I really really need you now
My baby, My baby
My baby, My baby & me
My baby, My baby
My baby, My baby & me

Are you re-

Are you re-

Are you ready for my love, ready for my love, ready for me

Are you re-

Are you re-

Are you ready for my love, ready for my love, ready for me

Me & my baby

Me & my baby, yeah

My baby, My baby

My pretty baby & me

It's time for us to get down

I really really need you now

My baby, My baby

My baby, My baby & me

My baby, My baby

My baby, My baby & me
