

# The Shelter of Your Arms

## Twin Sisters

In this cold world  
No matter where I go  
The crowds are all the sameAnd then I'm just  
a pebble in the sand  
A face without a nameNobody gives a hang  
For what I say or do  
But you  
And in the shelter of your arms  
I find peace and comfort and care  
For I am wanted thereIn this cold world  
You struggle to survive  
And sometimes you can fallYou'd think someone  
Would lend a helping hand  
They'd sooner see you crawlBut just when life itself  
Seems more than I can bear  
You're there  
And in the shelter of your arms  
I find strength and safety and then  
I rise and start againJust give me one good reason  
To go on living  
To keep on trying  
For what, I ask you for what  
If not for you  
And all your love  
To see me throughBut just when life itself  
Seems more than I can bear  
You're there  
And in the shelter of your arms  
I find strength and safety and then  
I rise and start again
