

# Dancin' with Myself

## Johnny Kemp

That's nice

Da, da, da, da, da, da

Ow

I don't need no dancing partner

I don't need no man in blue

I don't want nobody, baby

Telling my kid just what to do

I don't need no dance instructor

I don't need no learning fade

I don't want no rapper in this song

I don't need no MTV

'Till the train pulls up the station

Early in the morning

I'll be dancin' with myself

Dancin', yeah

I'll be dancin' with myself

Dancin'

(Dancin' with myself)

Don't need to dive into Apollo, no

I don't need to sniff cocaine

I don't want combustion interruptions

You're selling me cures from the pain

Don't need a hype and propaganda

False topics

Leading me astray

I just want to live my life

The way I should

Until I'm drumming on the day

Because the flames are getting higher

I bet you'll hear the tapping on the wall

Yeah, yeah, ow!

With your boogie, man!

Ha, ha, ha, ha, ha!

Uhh!

Ha, ha, ha!

Yeah!

I'll be dancin' with myself

Dancin', yeah

I'll be dancin' with myself

Dancin'

(Dancin' with myself)

I said you made me dancin' with myself

Dancin'

Yeah, yeah

I won't stop dancin' by myself

Dancin' with myself

Yeah, yeah

Keep it up, keep it up

I won't stop now

Woo!

Ow!

Yeah, I feel nice

Uh!

Yeah, yeah, yeah, yeah, yeah, yeah, yeah

Good God!

Shake it

Better boogie

Ya

Yeah, yeah, yeah, yeah, yeah, yeah, yeah
