

# Seven Hail Mary's

## Flesh for Lulu

Seven Hail Marys watching over you  
Seven Hail Marys everything you do  
    Someone will talk of a great loss  
    Someone will speak of a strange loss  
Seven Hail Marys there watching over you  
    There watching over you  
        (Watching over you)  
        Seven Hail Marys  
        (Watching over you)  
    The sound of kisses I hear them  
        Something misses so near  
And theres Seven Hail Marys there marching over youDaddy went AWOL  
    Up on China beach  
    Looking for something just outta reach  
        Heavenly soldiers  
        They're marching  
        They're marching  
        They're marching  
        They're marching  
        They're marching  
        They're marching over you  
        (Marching over you)  
        Seven Hail Marys  
        (Marching over you)  
    There marching over you  
There marching over youYou could tell me anything you wanted to  
    (Marching over you)  
Just get down on your knees and say Seven Hail Marys  
    Seven Hail Marys  
    There marching over you  
Oooooh oohhh ahhh ahhhSeven Hail Marys watching over you  
    and momma she knows  
    Seven Hail Marys everything you do  
        Someone will talk of a great loss  
        Someone will speak of a strange loss  
    Seven Hail Marys there watching over you  
        Yeah there watching over you  
        (Watching over you)  
        Come on say it say it  
    Oh oh there watching over you

Watching over you  
Swing swing you can get away with anything  
(Watching over you)  
Just get down on your knees and say Seven Hail Marys  
Ahhh Seven Hail Marys  
Watching over you Everything you do  
(Watching over you)  
There watching over you  
Woooooo ohhhhhh  
Now what you gonna do  
I wanna hear you say it  
One time  
(Watching over you)  
Say it two times  
Wanna hear you say it three times  
Come on say it four four say it some more  
Said five five gotta testify  
Yeah six six wont you blow me a kiss  
Said  
One  
Two  
Three  
Four  
Five  
Six  
Seven  
You're certain to go to hell Seven Hail Marys watching over you  
And momma she knows  
Seven Hail Marys everything u do Daddy went AWOL  
Up on China beach  
Looking for something just out of reach  
Seven Hail Marys  
There marching  
There marching  
There marching  
There marching  
There marching  
There marching over you  
(Marching over you) Yeah Seven Hail Marys  
Oh oh marching over you  
There marching over you Swing swing you can get away with anything  
Get down on your knees and say Seven Hail Marys  
Ahhhhh Seven Hail Marys there watching over you
