Addicted

Seba

You lie restless
How can I keep my cool?
It's hard, you got me
Last forever

You got me so addicted
You got me so and yes it feels right
You got me feeling reckless

You got me so I'm lovin the vibe
You got me so addicted
You got me so and yes it feels right

You got me feeling reckless
You got me so I'm lovin the vibe

(Instrumental)x3
You got me feeling reckless
(Instrumental)x3
You got me so and yes it feels right
(Instrumental)x3
You got me feeling reckless
(Instrumental x3)

And yes it feels right!

You got me so addicted!

(Repeat)
