Remote Control

SCHMIDT

Does it make you feel nervous
Playing in my game
Glad to be of service
Danger is my nameSo I make you feel reckless
Like youre off control
You're gonna lose you inhibitions
Youre gonna sell your soul
Don't be shy, come on, take a risk Come and sit with me
Oh, I must insistI push your button to get you jumpin Get up and turn me on so I can get some lovin'
I gotcha, I gotcha
On remote control
I push your button to get you jumpin Get up and turn me on so I can get some lovin'
I gotcha, I gotcha
On remote control
Nobody is looking
It's not against the law
I know what you got cooking Lets get on the floor
Do I make you feel horny?
So you can't think straight I wanna be a little naughty
Just do what I say Take a chance, baby, don't be scared
I'm gonna make you dance in my underwearI push your button to get you jumpin Get up and turn me on so I can get some lovin'
I gotcha, I gotcha
On remote control
I push your button to get you jumpin Get up and turn me on so I can get some lovin'
I gotcha, I gotcha
On remote control
Got some things for us to try This wont end till tomorrow night Baby, thats right This is not about romance This could be your only chance Baby, thats right
I gotcha, I gotcha
On remote controlI push your button to get you jumpin Get up and turn me on so I can get some lovin'
I gotcha, I gotcha
On remote controlI push your button to get you jumpin Get up and turn me on so I can get some lovin'
I gotcha, I gotcha
On remote control
