

# Feel You

ATB

I can feel you across the miles of my body,  
Almost physical, spiritual, like there was no separation,  
Like you were right beside me, like a river I can feel forever in my mind,  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river never dies Remember the bridge we crossed, ???  
We can keep it alive, its just energy I can feel forever in my mind,  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river never dies And I feel, I feel, I feel you, like a river  
And I feel, I feel, I feel you, like a river  
Can feel forever in my mind,  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river never dies And I feel, I feel, I feel you, like a river  
And I feel, I feel, I feel you, like a river  
And I feel, I feel, I feel you, like a river
