Party All Night

Yo Yo Honey Singh

Hang loose Party

Got my head to the grindstone I'm trying to act like a fool My head is a lampshade They can't find me at school

Well I'm an animal
Yes I'm a cannonball
They say I'm out for blood
One thing I wanna do is

Party all night (Oh-oh!)
Party all night (Oh-oh-oh!)
Party all night (Yeah!)
All night long

Driving right way on the wrong side
A bit too much to drink
Women in the backseat
And they don't know what to think

They say I've lost my head You'll probably end up dead But they're too blind to see What's a party to me, yeah, yeah, yeah, yeah

Is to party all night (Oh-oh!)
Let's party all night (Oh-oh-oh!)
Party all night (Yeah!)
All night long

Uh!

Let's have a good time, good time

C'mon

Everybody's parties

I'm on a one way cruise Lookin' for trouble We got nothing to lose

They're on the telephone
They're trying to send me home
We're gonna pull the plug
We've got a new kind of school

Let's party all night Let's party all night Party all night Let's party all night

(Yeah yeah yeah yeah)

Let's party all night (Oh!)
(We're party animals, baby)
Let's party all night (Oh-oh-oh!)
(We've got nothing to lose)
Let's party all night
All night long, yeah!
