

Whispering Hope (Duet With Mary Duff) [Live]

Daniel O'Donnell

Soft as the voice of an angel
Breathing a lesson unheard
Hope with a gentle persuasion
Whispers a comforting word. Wait, 'till the darkness is over
Wait, 'till the tempest is done
Hope, for the sunshine tomorrow
After the darkness is gone. Whispering hope,
Oh how welcome Thy voice
Making my heart
In it's sorrow rejoice. If in the dusk of the twilight
Dimmed be the region afar
Will not the deepening darkness
Brighten the glittering star. Then when the night is upon us
Why should the heart sink away
When the dark midnight is over
Watch for the breaking of day. Whispering hope,
Oh how welcome Thy voice
Making my heart
In it's sorrow rejoice
