The Crawl

Lanterns on the Lake

Crawl deep, you know I'll walk you through this
We can leave the pain outside
Prise my ribs apart
And we can watch the blood drip dryIn another lifetime I thought I saw you
Peering through the cracks of age
I was on a battlefield
Smiling in the pouring rainCrawl deep into a life I've seen
He says I'm one of those
I need another drink to sink the skin I'm in
I guess I'm one of those
Last week I read that they thought they'd caught us
Rushing through the ballroom light
But we were in the city vaults
Just trying to find peace that nightCrawl deep into a life I've seen
He says I'm one of those
I need another drink to sink the skin I'm in
I guess I'm one of those
I'm not the only one to have pieces gone
I'm not the only one
I'm not the only one to have pieces gone
I'm not the only one
