

Now That She's Gone

Destiny's Child

Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Take her to the movies
Dinner all the time
Shopping sprees for her
On me you never spent a dime
But I was there for you
When you had nothing at all
Then you got a little job
She's the one you call on, and now Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Oh no, you're taking me for granted
But you only get one chance
Then you left me hurting
And it won't happen again no, no
So she finally left you
It ain't no surprise
That you miss your water
'Cause your well went dry Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long

I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Understand, I understand
Why I think you I want you back
After what you did to me
Did you think you blinded me
Boy you know, whatever you do
It will all come back to you
'Cause you're trying to play me like a fool
I just wanna say it again Understand, I understand
Why I think you I want you back
After what you did to me
Did you think you blinded me
Boy you know, whatever you do
It will all come back to you
It will come back to you Now that she's gone
Crawling back
Got it like that
You made me wait too long
I'm gone Now that she's gone
Come back
You made me wait too long
I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long

I'm gone Now that she's gone
You wanna come back
Is that a fact
You got it like that
You made me wait too long
I'm gone Thou shall not leave me wondering
