

Fight Like a Brave

Red Hot Chili Peppers

All of you slingers and fiends hide behind your rocks
Put down your guard, I'm not here to box
This is no showdown so throw down your guns
You see it doesn't matter where you come from
You could be from Park Ave or from a park bench
You could be a politician or a bitchy princess
But if you're lookin' for a fist and you're lookin' to unite
Put your knuckleheads together, make a fist and fight
Not to your death and not to your grave
I'm talking about that freedom, fight like a brave
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
Yeah, if you're sick-a sick 'n' tired of being sick and tired
If you're sick of all the bullshit and you're sick of all the lies
It's better late than never to set a set it straight
You know the lie is dead so give yourself a break
Get it through your head and get it off your chest
Get it out your arm because it's time to start fresh
You want to stop dyin', the life you could be livin'
I'm here to tell a story but I'm also here to listen
No, I'm not your preacher and I'm not your physician
I'm just trying to reach you, I'm a rebel with a mission
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
I'm here today to pump up the uplift mofo party plan
A plan based on a band, a band based on a plan
There should be no slaves in the land of lands
It's a Hollywood jam
You say you're running and you're running and you're running afraid
You say you ran across the planet but you couldn't get away
The fire in your brain was driving you insane
You were looking for a day in a life that never came
So don't tell me that I've got to take a number
Cause, I've been to that doctor and I believe me that's a bummer
Here's a one of a kind, convention of the mind
And don't forget to mention that it doesn't cost a dime
Come as you like and leave any time
And one more thing you know it doesn't have to rhyme
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
Fight like a brave, don't be a slave
No one can tell you you've got to be afraid
