

# Say'n I Love You

## The Moffatts

Say'n I love u  
It's the hardest thing to do  
And if I ever do  
Girl, I'll always be trueI may not be the best  
Looking guy you ever knew  
But I can show you love  
That will always be trueAnd when your sky's turn gray  
My love will guide the way  
And if these words that I hold  
Could only be toldSay'n I love u  
It's the hardest thing to do  
And if I ever do  
Girl, I'll always be trueAnd when your tears fall to the ground  
I will pick you up when you're feeling downSay'n I love u  
It's the hardest thing to do  
And if I ever do  
Girl, I'll always be trueAnd when your tears fall to the ground  
I will pick you up when you're feeling downSay'n I love u  
It's the hardest thing to do  
And if I ever do  
Girl, I'll always be trueSay'n I love u  
It's the hardest thing to do  
And if I ever do  
Girl, I'll always be true
