

Morality Man

White Kaps

Mr. Morality media man
Passing judgement across the land
Don't wanna here what we can say
 You can't have it all your way
 If I'm offensive - your offensive
 If I'm offensive - your offensive
 If I'm offensive - your offensive
 If I'm offensive - your offensive too

Mr. Morality media man
 Let me take you by the hand
 You won't even know this place
 You have never seen your face
 If I'm offensive - your offensive
 If I'm offensive - your offensive
 If I'm offensive - your offensive

If I'm offensive - your offensive too I talk like you Do you kiss your mom with that guttermouth

You motherfist fucker suck my dick you whore
 I'll tell you more

 If I'm offensive - your offensive
 If I'm offensive - your offensive
 If I'm offensive - your offensive
 If I'm offensive - your offensive too

Mr. Morality media man
 You can't even understand
 Two kids and a prissy wife
 Why don't you just live your life

 Mr. Morality media man
 Mr. Morality media man
 Mr. Morality media man
 Live your life
