First Aid

Subhumans

I need first aid can't you see?
I'm cut up bad you can't recognise me
got a coupla bullets in my leg
and your morphine shit going through my head
chorus:
gimme first aid that's what you're for
gimme a shot gotta make sure
gimmefirst aid hold me down
something's wrong I can't move around
knock me outcold with your local anesthetic
gimme some pills so I can't even feel it
the
doctor's using zyklon-B
gonna calm me down gonna send me to sleep
chorus
so
gimme first aid that's what i need
i get all sick whenever i bleed
they caught
me bleeding in the street
kicked me around like some dead meat
