

# Doctor's Orders (Re-Recorded)

[Carol Douglas](#)

Hello  
Hiya honey  
It's me I want to see the doctor today  
"Cos ever since you've been gone  
I've had a pain deep down inside  
He said, there's nothing really wrong with me  
I'm just missing my man, so honey  
Please, come on home as soon as you can  
Doctor's orders say, there's only one thing for me  
Nothing he can do 'cos only you can cure me  
Says in my condition love's the best physician  
He's prescribed a potion full of warm emotion  
Every day a lovin' spoonful to be taken  
It's the only way to stop this empty heart of mine from breakin'  
Song text taken from stlyrics.com  
Won't get better till you're back again  
He told me, doctor's orders need your loving arms to hold me  
Darling, now I know there ain't no doubt about it  
I'm so hooked on your love, I can't live without it  
You're away but please don't treat me like a stranger  
Doctor's orders say, one kiss from you and I am out of danger[Musical Interlude]"Please say you understand  
how I feel honey  
I know you've got a lot of things on your mind  
Oh, but I'm missing you so bad  
Please, oh please, come on home"
