## The Mighty Mighty Bosstones

High School Dance
Hello world Remember me?
I'm the sad little fuck that you failed to see
Who you should have recognized
When you had the chance
Hello motherfuckers now its time to dance
Hello mom-dad Is this a bad time?
If it is too bad
See the reason that I'm
Disturbing you both
I'm settling scores
You fucked me up bad
This dance is yours
I love to make 'em dance dance dance dance everybody dance now
Hello student body
Hello faculty
Show of hands how many
Of you here have met me?
Not too many - who am I?
I'll try not to keep you guessin'
I'm your fucked up dance instructor
And you're here for your lesson
So dance dance dance, dance dance dance
I love to watch 'em dance now dance dance dance

Hello world
Take a look at me
Well you didn't when you should have
So I'm sure you agree
Not paying attention
Has cost you greatly
Some other little fucks
Have been dancing lately
I love to make 'em dance
Dance dance dance everybody dance now
Good-bye student body
So long faculty
Show of hands how many Of you here have met me?
Not too many - who am I?

I'll try not to keep you guessin
I'm your fucked up dance instructor
Hope you've learned your lesson so
Dance dance dance
Dance dance dance
I love making them dance now
Dance dance dance
Dance dance dance
