Never Walk Alone

Agnostic Front

Talk, talk, talk is cheap but we live it
That's the difference, that's what we're bringing
Honesty and loyalty that's unforgiving
This is our movement, not just an imageLet me tell you about our family
A bond so pure, so strong
When I said, "just us" I meant it from my heart
Nothing can stop this passion of oursThis our life - our life!
This is our scene - our scene!
This is my passion - passion!
Worldwide unity!We still give with all our might and more
We still live this life worth fighting for
Everything and nothing has changed
Still we remain and we never walk alone
Never walk alone
