California Blues

Randy Travis

Well I'm goin' to California where they sleep out every night yeah
I'm goin' to California where they sleep out every night
I'm leaving you mama cause you know you don't treat me right.Let me tell you something mama that you don't know
Let me tell you something good gal that you don't know
Well I'm a do-right papa and got home everywhere I go yeah.I got the California blues and I'm sure gonna leave you here Lawd Lawd
I got the California blues and I'm sure gonna leave you here
I may ride the blinds I ain't got no railroad fare.Listen to me mama while I sing this song
Listen to your daddy sing you this so lonesome song
You got me worried now but I won't be worried too long.
