

Gotta Get to Jesus

The Collingsworth Family

My physicians tried in vain
For twelve long years of pain
Is proof that there is nothing they can do
But I just heard somebody say
"There's a healer on the way"
Somehow I have to press my way through I've gotta get to Jesus
Gotta get to Jesus
I know that He's the answer to my needs
Bring Him all my problems
Only He can solve them
Mend the broken pieces
Gotta get to Jesus When my world is torn apart
I need healing for my heart
I really don't know how much more I can take
Trapped inside a cloud of disbelief and doubt
I only know one way of escape I've gotta get to Jesus
Gotta get to Jesus
I know that He's the answer to my needs
Bring Him all my problems
Only He can solve them
Mend the broken pieces
Gotta get to Jesus If the hem of His garment is all I can reach
I know if I touch Him I will be free
I will be free I've gotta get to Jesus
Gotta get to Jesus
I know that He's the answer to my need
Bring Him all my problems
Only He can solve them
Mend the broken pieces
Gotta get to Jesus
Bring Him all my problems
Only He can solve them
Mend the broken pieces
All these broken pieces
Gotta get to Jesus Gotta get to Jesus
