The Wall

Shirley Bassey

There's a wall between us
And it's not made of stone
Although we're together
I feel so aloneThough you say you love me
There's no warmth in your kiss
Speak your mind my darling
We can't go on like thisIs it something I've done that changed you
Has something I've said hurt you so
Is there someone else that you can call
Whatever it is, let me knowThere's a wall between us
Will it keep us apart
Darling tear down that wall
And mend my broken heart
And mend my broken heart!
