

# Recruiting Soldiers (Version)

Peter Tosh

Chorus:

I'm recruiting soldiers  
For Jah army  
Recruiting soldiers  
Jah time is now Satan forces  
They all rise up to fight  
They all rise up to fight Jah and the saints See them fighting  
Against Jah children See them slaughter them light slaves  
Hear them come say Jah is dead  
But they didn't show me his grave  
No, no Chorus  
Anti-Christ forces  
They all rise up  
To fight against Jah and his saints  
I can tell you But there is confusion  
In high places  
About the lamb that was slain  
And all these years I hear them say  
Their building a nation  
But all these tricks were just a game Chorus Lightning forces  
Jah time is now  
Lucifer forces  
They all they all rise up  
To fight against Jah and his saints  
But that won't work  
Hear them praising old Marcus Garvey  
Hear them exalting his name  
But all these times they be doing that I say  
If he was here right now he'd go to jail the same Chorus Only to fight ... fighting a losing battle  
But they fight
