

Numb_Encore

Linkin Park

Thank you, thank you, thank you, you're far too kind
Now, can I get an encore, do you want more?
Cookin' raw with the Brooklyn boy
So for one last time I need y'all to roar Now what the hell are you waiting for?
After me, there shall be no more
So for one last time, nigga, make some noise
Get 'em, Jay Who you know fresher than Hov'? Riddle me that
The rest of y'all know where I'm lyrically at
Can't none of y'all mirror me back
Yeah, hearin' 'me rap is like hearin' G Rap in his prime I'm, young HO, rap's Grateful Dead
Back to take over the globe, now break bread
I'm in, Boeing jets, Global Express
Out of country but the Blueberry still connect On the low but the yacht got a triple deck
But when you Young, what the fuck you expect? Yep, yep
Grand openin', grand closin'
Goddamn your man Hov' cracked the can open again Who you gon' find doper than him with no pen
Just draw off inspiration
Soon you gon' see you can't replace him
With cheap imitations for these generations Now can I get an encore, do you want more?
Cookin' raw with the Brooklyn boy
So for one last time I need y'all to roar
Now what the hell are you waiting for? After me, there shall be no more
So for one last time, nigga, make some noise
What the hell are you waiting for? Look what you made me do, look what I made for you
Knew if I paid my dues, how will they pay you
When you first come in the game, they try to play you
Then you drop a couple of hits, look how they wave to you From Marcy to Madison Square
To the only thing that matters in just a matter of years
As fate would have it, Jay's status appears
To be at an all-time high, perfect time to say goodbye When I come back like Jordan, wearin the 4-5
It ain't to play games witchu
It's to aim at you, probably maim you
If I owe you I'm blowin' you to smithereens Cocksucker take one for your team
And I need you to remember one thing
I came, I saw, I conquered
From record sales, to sold out concerts So muh'fucker, if you want this encore
I need you to scream, 'til your lungs get sore I'm tired of being what you want me to be
Feeling so faithless, lost under the surface
Don't know what you're expecting of me

Put under the pressure of walking in your shoes(Caught in the undertow just caught in the undertow)

Every step that I take is another mistake to you

(Caught in the undertow just caught in the undertow)

And every second I waste is more than I can takeI've become so numb, I can't feel you there

Become so tired so much more aware

I'm becoming this, all I want to do

Is be more like me and be less like you(I've become so numb)

Can I get an encore, do you want more?

(I've become so numb)

So for one last time I need y'all to roar

One last time I need y'all to roar
