

Homeland (Kruse & Nuernberg Remix)

Joris Voorn

I can not remember when
Last time I saw my home and all my friends
But they tell me my life has never been better
So I tried to make me live
That all the time I spend the way is end this live
Making everything so much better
Return us your home, now
Seems arounded by love and time
Then all it once I
I suddenly realise
You are right here by my side
