

Loving Arms

Mario Winans

In the middle of a thought, you crossed my mind
I sit and wonder how you are, baby all the time
I miss you when you're gone
And when you come back
I'm gonna show you that I love cause
I want you to know that

[Hook]

I don't need much (I don't need much babe)
When I'm in your arms
(Just to feel) Just to feel you're touch
(Is enough) Is enough to keep me safe from harm
'Cause your loving arms

[Chorus]

You're loving arms is where I want to be
(When I'm holding you) When I'm holding you
And you're holding me
(Things will be fine) Things will be fine
Just follow my lead
('Cause your loving arms oh baby) 'Cause your loving arms is where I'll be

In the middle of the night, you invade my dreams
All the happiness we shared, seem so real to me
The moment I awake, I know for a fact
That you would never leave me baby
'Cause you already know that

[Hook]

[Chorus]

[Hook]

[Chorus:x2]
