Don't You Want Me

The Farm

You were working as a waitress in a cocktail bar when I met you.
I picked you out, I shook you up
And turned you around, turned you into someone new.

Now five years later on you've got the world at your feet.
Success has been so easy for you.
But don't forget it's me who put you where you are now,
And I can put you back there too.

Don't, don't you want me?
You know I can't believe it
When I hear that you won't see me.
Don't, don't you want me?
You know I don't believe you
When you say that you don't need me.
It's much to late to find
When you think you've changed your mind.
You'd better change it back or we will both be sorry.
Don't you want me, baby?
Don't you want me, oh?
Don't you want me, baby?
Don't you want me, oh?

I was working as a waitress in a cocktail bar,
That much is true.
But even then I knew I'd find a much better place
Either with or without you.

The five years we have had have been such good times,
I still love you.
But now I think it's time I live my life on my own.
I guess it's just what I must do.

Don't, don't you want me?
You know I can't believe it
When I hear that you won't see me.
Don't, don't you want me?
You know I don't believe you
When you say that you don't need me.
It's much to late to find

When you think you've changed your mind.
You'd better change it back or we will both be sorry.
Don't you want me, baby?
Don't you want me, oh?
Don't you want me, baby?
Don't you want me, oh?

Don't you want me, baby?
Don't you want me, oh?
Don't you want me, baby?
Don't you want me, oh?
Don't you want me, baby?
Don't you want me, oh?
