

# All Night (Cash Cash Radio Edit)

## Icona Pop

We always dreamed about this better life, this better life  
We always thought we'd come in all along, yeah all along  
We got the kiss, and walked through paradise, yeah paradise  
Now let's go walking hand in hand Come on baby we can hit the lights  
Make the rooms go right  
We can smash the floor, make the pop go raw  
With a love this deep, we don't need no sleep  
And it feels like we could do this all night  
We could do this all night  
Yeah everything is alright We got the kiss, and walked through paradise, yeah paradise  
It feels like, we could do this all night (We could do this all night) Oh when the men under the summer skies, the  
summer skies  
The seasons changed, our house will stay the same, yeah stay the same  
We got that burning feeling, start a fire, start a fire  
Giving a shout, let's make it hot Come on baby we can hit the lights  
Make the rooms go right  
We can smash the floor, make the pop go raw  
With a love this deep, we don't need no sleep  
And it feels like we could do this all night  
We could do this all night  
Yeah everything is alright We got the kiss, and walked through paradise, yeah paradise  
It feels like, we could do this all night Feels like, we could do this all night All night, all night, all night, all  
night Come on baby we can hit the lights  
Make the rooms go right  
We can smash the floor, make the pop go raw  
With a love this deep, we don't need no sleep  
And it feels like, we could do this all night  
We could do this all night  
We could do this all night  
Yeah everything is alright We got the kiss, and walked through paradise, yeah paradise  
It feels like, we could do this all night
