

I Call Your Name (Frank Mono 7' Mix, 1987)

Roxette

It's a madman's situation,
Reminiscing in the rain,
And I've lost your love again,
I call your name. And I don't want to think about it
When I go to sleep at night,
Can you hear it in the wind?
I call your name. I call your name...
And I close the door behind me,
I turn the lights all down,
There's no-one there beside me, I call your name.
And I don't want to think about it
But I wind up all the same,
Nothing'll ever change, I call your name.
I call your name...
Lie awake under the stars,
Lie awake under the stars. I call your name...
