## Disaster In The Universe

Look at all the experience I got  
I've been building for years...so now  
Come conscience, go winter  
To the shore that sends every morning  
Come drown in the mass of temporal meanings  
Bend (like plants) towards the sun  
Sunlight  
Fun every evening  
Seems this affection turns my thoughts lazy  
There is no upgrade for my nature  
Come conscience, dive inwards  
To the shore that sends every morning  
Come drown in the mass of temporal meanings  
Bend (like plants) towards the sun  
Sunlight  
Fun every evening
