Exterminate

Snap!

Ooh ooh, ooh ooh
Ooh ooh, ooh wohCan you feel when the music starts to play?
Rhythm of the music and my body starts to sway
You can feel when the music starts to groove
Rhythm of the music and my body starts to moveExterminateCan you feel when the music starts to play?
Rhythm of the music and my body starts to sway
You can feel when the music starts to groove
Rhythm of the music and my body starts to moveExterminate
Exterminate
Exterminate
Exterminate
ExterminateYou'll be surprised with what you might find
You'll be surprised with what you might find
You'll be surprised with what you might find
You'll be surprised with what you might findYou'll be surprised with what you might find
You'll be surprised
You'll be surprised with what you might find
You'll be surprisedCan you feel when the music starts to play?
Rhythm of the music and my body starts to sway
You can feel when the music starts to groove
Rhythm of the music and my body starts to moveExterminate
Exterminate
Exterminate
