

# Alive (feat. Ratatat)

## Kid Cudi

Every time,  
The moon shines I become alive, yeah  
And every time,  
The moon shines I become alive, yeah I'm feeling strange in the night  
I'm in myself I feel I'm thrown into a fight  
Nowhere to run, nowhere to hide nothin's right  
My skin is burning when my rock begins to speak  
There's something going wrong with me  
I am changing rapidly  
I'm feeling stronger, more alert, I'm on the move  
I smell her scent and I know I will find her soon (soon, soon)  
The one to come and free me from this fate  
I'll find her, it's not too late, hey, hey Every time,  
The moon shines I become alive, yeah  
And every time,  
The moon shines I become alive, yeah I'm a beast in the night  
I'm on the prowl and I'm hoping to find some light  
You call it heaven, I can do it for the same  
Ain't nothing wrong I been feasting on something brave  
A sexy lady who's pure, she has the cure, uh  
I hope she can find the man within the beast, and  
I hope she saves me from the curse I have to beat, hey  
I hope she figures out a way to save my soul  
Yeah, to save my heart, hey Every time,  
The moon shines I become alive, yeah  
And every time,  
The moon shines I become alive, yeah Na na na na na na na, whoa  
Na na na na na na na  
Na na na na na na na, whoa  
Na na na na na na na I watch the sun collapse  
And took up in the clizoud  
I am the lone wolf  
Go where I wanna  
Let the moon shine be the guide to the lizight  
Even when I stray away the light never left me, uh  
I learn to follow my instinct  
Blinded by the light,  
Rather that than the evil  
Feelin' out of place in a room full of people

Try and be the same but you know you're not a sequel  
You're fate will be whatever it shall be (be, be, be, be)  
We'll fight no more,  
I let these things just be (be, be, be)Every time,  
The moon shines I become alive, yeah  
And every time,  
The moon shines I become alive, yeahNa na na na na na na, whoooa  
Na na na na na na na  
Na na na na na na na, whoooa  
Na na na n an a nana
