

Goodnight Is Not The End

Evermore

Goodnight, goodnight my love
Goodnight, goodnight my only one
Goodnight, goodnight
Goodnight, goodnight my love
Goodnight, goodnight my friend
Even though the day is over
Goodnight is not the end
When the moon has passed us by

And when the sunlight has
Opened up my eyes
I will see you in the morning
Goodnight, goodnight
Goodnight, goodnight my love
Goodnight, goodnight my friend
Even though the day is over
Goodnight is not the end
Goodnight is now the end
