

Here We Go

N-Sync

Here we go
Here we go one more time, everybody's feeling fine
Here we go now
Yes yes yes here we go, 'NSYNC has got the flow
Bounce your head to the beat, we've got everything you need
Here we go now
Yes yes yes here we go, 'NSYNC has got the flow Here we go just one more time and everybody's feeling fine
Here we go now, here we go, yeah
If you want to party with us, just feel free and feel the rhythm
Here we go now, here we go You know the party's here, sing-a-long and have no fear
'NSYNC is here to make you people scream
Now is the time for us to reunite
Come on party people there's a party going on tonight Tonight is the night, every thing's gonna be alright
Just get up, feel the flow and here we go Here we go one more time, everybody's feeling fine
Here we go now
Yes yes yes here we go, 'NSYNC has got the flow
Bounce your head to the beat, we've got everything you need
Here we go now
Yes yes yes here we go, 'NSYNC has got the flow Here we go just one more time and everybody's feeling
fine
Here we go now, here we go, yeah, yeah
If you want to party with us, just feel free and feel the rhythm
Here we go now, here we go Let's sing it one more time, everybody's feeling fine
We got the skills keep this party pumpin' baby
Keep dancin' all night long until the break of dawn
Come on party people there's a party going on tonight Tonight is the night, every thing's gonna be alright
Just get up, feel the flow and here we go Here we go one more time, everybody's feeling fine
Here we go now
Yes yes yes here we go, 'NSYNC has got the flow
Bounce your head to the beat, we've got everything you need
Here we go now
Yes yes yes here we go, 'NSYNC has got the flow Here we go just one more time and everybody's feeling
fine
Here we go now, here we go now, said here we go now
If you want to party with us, just feel free and feel the rhythm
Here we go now, here we go, yeah Keep dancin' all night long, break of dawn
You gotta do what you feel to, what you like yeah
Keep dancin' all night long
Come on and keep on dancing

Break of dawn, oh

Here we go, here we go Here we go one more time, everybody's feeling fine

Here we go now

Yes yes yes here we go, 'NSYNC has got the flow

Bounce your head to the beat, we've got everything you need

Here we go now

Yes yes yes here we go, 'NSYNC has got the flow Here we go just one more time and everybody's feeling
fine

Here we go now, here we go

If you want to party with us, just feel free and feel the rhythm

Here we go now, here we go
