Prisoner Of Love

James Brown

Alone from night to night you'll find me
Too weak to break the chains that bind me
I need no shackles to remind me
I'm just a prisoner, don't let me be a prisonerFor one command I stand and wait now
From one who's master of my fate now
I can't escape for it's too late now
I'm just a prisoner, don't let be a prisonerWhat's the good of my caring if someone
Is sharing those arms but not with me
Although she has another and I can't have
Another for I, I'm not freeShe's in my dreams, awake or sleeping
Upon my knees to her, I'm creeping
My very life, my life is in her keeping
I'm just a prisoner, don't let me be a prisoner(Prisoner of love)
You made me a prisoner
(Prisoner of love)
And you made me love you
(Prisoner of love)
Take your shackles of love and go away
(Prisoner of love)
'Cause I love you so much now
You, you, you
You made me a prisoner
