

Strange News from Another Star

Blur

All I want to be, is washed out by the sea
No death star over me, won't give me any peace
All I want is light relief, put the crazies on the street
Give them guns and feed them meat They'll shoot the death star down
Dig a hole and put it down
A thousand miles underground They say, it's no game
There's strange news from another star
I'm lost, I'm lost
There's strange news from another star Give me all your stuff, until I can't get up
Watch the whole world freeze
Counting tin cans in our sleep
Submarines are diving deep And don't believe in me and don't believe in me
All I've ever done is tame
Will you love me all the same
Will you love me though, it's always the same They say it's no game
There's strange news from another star
I'm lost, I'm lost
There's strange news from another star From another star
From another star
From another star
