

# Bold As Love (Where The Light Is)

John Mayer

Anger, he smiles  
Towering in shiny, metallic, purple armor  
Queen jealousy, envy waits behind him  
Her fiery, green gown sneers at the grassy ground  
Blue are the life-giving waters taken for granted  
They quietly understand  
Once happy turquoise armies lay opposite ready  
But wonder why the fight is on  
But they're all bold as love  
Yes, they're all bold as love  
Yeah, they're all bold as love  
Just ask the axis  
My red is so confident that he flashes trophies of war and  
Ribbons of euphoria  
Orange is young, full of daring  
But very unsteady for the first go round  
My yellow in this case is not so mellow  
In fact, I'm trying to say it's frightened like me  
And all these emotions of mine keep holding me from, eh  
Giving my life to a rainbow like you  
But I'm, eh  
Yeah, I'm bold as love  
Well, I'm bold, bold as love  
I'm bold as love  
Just ask the axis  
He knows, he knows, he knows everything
