

# Unity (Radio Edit)

## Shinedown

I found a note with your name  
And a picture of us  
Even though it was framed  
And covered in dust  
It's the map in my mind that sends me on my way  
They say it's never too late  
To stop being afraid  
And there is no one else here  
So why should I wait?  
And in the blink of an eye the past begins to fade  
So have you ever been caught in a sea of despair?  
And your moment of truth  
Is the day that you say "I'm not scared"  
Put your hands in the air  
If you hear me out there  
I've been looking for you day and night  
Shine a light in the dark  
Let me see where you are  
'Cause I'm not gonna leave you behind  
If I told you that you're not alone  
And I show you this is where you belong  
Put your hands in the air  
One more time  
I've seen a million miles  
Met a million faces  
Took all I knew  
To reach all these places  
And I'd do it again  
If it brings me back to you  
So have you ever been caught in a sea of despair?  
And your moment of truth  
Is the day that you say "I'm not scared"  
Put your hands in the air  
If you hear me out there  
I've been looking for you day and night  
Shine a light in the dark  
Let me see where you are  
'Cause I'm not gonna leave you behind  
If I told you that you're not alone  
And I show you this is where you belong  
Put your hands in the air  
One more time  
Put your hands in the air  
Put your hands in the air  
If you hear me out there  
I've been looking for you day and night  
Shine a light in the dark  
Let me see where you are  
'Cause I'm not gonna leave you behind  
If I told you that you're not alone

And I show you this is where you belong

Put your hands in the air

One more time

Put your hands in the air

One more time
