Moonglow

Carly Simon

It must have been Moonglow
Way up in the blue
It must have been Moonglow
That led me straight to youI still hear you sayin'
My love hold me fast
And I start to prayin'

Oh Lord, please let this lastWe seem to float right through the air Heavenly songs seem to come from everywhereAnd now when there's Moonglow

Way up in the blue I always remember

That Moonglow gave me youWe seem to float right through the air Heavenly songs seemed to come from everywhereAnd now when there's Moonglow

Way up in the blue I'll always remember

That Moonglow gave me youThat Moonglow gave me you

That Moonglow gave me you
