Jiggle, jiggle, jiggle, jiggle, jiggle, jiggle, jiggle, jiggleI'm from the land of the booty booty droppin' droppin'
Pussy hoe poppin', knockin'
Niggaz eyes out they socket, takin' money out they pocket
Shoot 'em to the moon like a mother motherfuckin' rocket
Pussy start wars, turn bitches into starsGet goose behind bars, then smoke like cigars
I prefer swishas befo' I lick her
I got a tree for this trick, this dick a skeeter

I come, if she came, I win to see herSo 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12
This stacks is on deck, this bitches don't second this, somebody bail
That's why the pussy club sell 'coz a nigga rather pay money
Just to see a tail, then they go to the house for his bitch to raise hell
And plus every time she said no, they say yeah, so we are go fishJiggle, jiggle

(Motherfuckin' wigglin')When it go wobblin' and shakin', we love to see 'em get naked
So we be spendin' the money to see how up she'll take it
She work that thang on the pole, when she be slidin' down slow
If you ain't been to a booty club, then your ass wouldn't knowSo let me paint a picture to make it a bit cleara
I love the club but I don't love no strippaa
Yeah, I'm a tippa, that's why I'm in the club
To see her shake her ass but I ain't fallin' in loveShe shake it like a salt shaker, see you now, see you later
Ying Yang Twins, it the strip hoes motivator
Make that pussy poop if you wanna get the loot
Now bend over, touch your toes, let me see you get lowMake your left cheek jump and your right cheek jump
Now roll, roll, roll, roll, roll that rump
I love to see a naked hoe dance, no, I ain't wit that romance
She wibble, wobble and shake it, shawty love to get nakedJiggle, jiggle
(Ass get to jigglin')
(Ass get to jigglin')
Jiggle, jiggle(Ass get to jigglin')
Jiggle, jiggle, more jiggle
More jiggle, jiggle, more jiggle
