

Show You (feat. Alisa Nappa)

Fytch

I just wanna show you all the things that I could do with you
I just wanna show you all the places I could go with you

But I need to find it somehow
And I'm searching for it right now
But I'm looking everywhere and I'm searching everywhere

But I need to find it somehow
And I'm searching for it right now

Uuuh I'll show you
Uuuh I'll show you
Uuuh I'll show you
Uuuh I'll show you
Uuuh I'll show you

I just wanna show you
I just wanna show you

But I need to find it somehow
And I'm searching for it right now

Uuuh I'll show you
Uuuh I'll show you
Uuuh I'll show you
Uuuh I'll show you
Uuuh I'll show you
