Love Is Still Alive

Kenna

[Verse 1]
I'm searching for a meaning tonight
And I'm watching all the words as they come alive
I'm seeing how dimensions divide
But I'm feeling that this love is still alive[Hook]
I said love, all I want is love
(I can feel it)
You're all that I want
You're all that I want
All that I want is you
Cause all I really want is you[Verse 2]
We don't have to speak do we now
It's telepathically beaming? Tonight?
This feeling doesn't happen all the time
So I'm thinking that we should find a minute for -- this love[Hook][Bridge]
Love
It's better to have loved than to have never
X4[Hook]
