

Mayflower May

Marissa Nadler

Without a lover
Without a friend
Without a saviorWithout a friend
Without a lover
Without a friendMayflower walked away
Away towards the air
And if you see her
Call out her nameAnd if you hear her
Out in the rain
Mayflower Maybelle
It was her nameWithout a lover
Without a friend
Without a saviorWithout a friend
Without a lover
Without a careMayflower walked away
Away towards the air
And if you see her
Call out her nameAnd if you hear her
Out in the rain
Mayflower Maybelle
It was her name
