

# Dr. Jackal And Mr. Hide

## Millencolin

On your knees cause you 're not wanted,  
Your life is a chaos and you wonder will it ever end  
And all these feelings they 're for real keep you down  
Just the way it 's planned out today, today you 've lost your way  
People grin, behind your back they are talking  
They are say you 're doing it the wrong way once again  
All these relations you believed in seem to brake up  
And it drives you crazy  
Any day you 'll feel ok, your shoes will get you anywhere  
Just be patient cause soon you 'll have your fun  
Staying in, hide away from problems,  
Imagination 's playing games with you again  
It 's no illusion, it 's just confusion  
But when the fog 's gone you 'll come out strong  
There 's no time to be feeling down
