Well Enough Alone

Giant Sand

Walk down the realm
Hint to no one that this
Generic bond exists
Evil shows another sideAnd like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't revealWhy we leave?
Well enough alone
Never thought about the shameSo fed up, what's with the scenes?
Observe and leave instead
This pity wagon penetrates my skin
So sensitive, makes me sickAnd like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't revealWhy we leave?
Well enough alone
Never thought about the shameThe old and the aged
Pulled, never knew what hit
The old and the aged
Pulled, never knew what hitAnd like before, makes no sense
Never coming, always leaving
Right before hooked on substance
Dig in deeper, can't revealWhy we leave?
Well enough alone
Never thought about the shameWhy we leave?
Well enough alone
Never thought about the shame
