Balls to the Wall

Fozzy

Too many slaves in this world Die by torture and pain Too many people do not see They're killing themselves, going insaneToo many people do not know Bondage is over the human race They believe slaves always lose And this fear keeps them downWatch the damned (God bless ya) They're gonna break their chains (Hey) No, you can't stop them (God bless ya) They're coming to get youAnd then you'll get your balls to the wall, man Balls to the wall You'll get your balls to the wall, man Balls to the wall, balls to the wallYou may screw their brains You may sacrifice them, too You may mortify their flesh You may rape them allOne day the tortured stand up And revolt against the evil They make you drink your blood And tear yourself to piecesYou better watch the damned (God bless ya) They're gonna break their chains (Hey) No, you can't stop them (God bless ya) They're coming to get youAnd then you'll get your balls to the wall, man Balls to the wall You'll get your balls to the wall, man Balls to the wall, balls to the wallBalls to the wall Balls to the wallCome on man, let's stand up all over the world (Balls to the wall)

Let's plug a bomb in everyone's arse (Balls to the wall) If they don't keep us alive (Balls to the wall) We're gonna fight for the right (Balls to the wall)Build a wall with the bodies of the dead (Balls to the wall) And you're saved (Balls to the wall) (Balls to the wall) Make the world scared (Balls to the wall) Come on, show me the sign of victory (Balls to the wall) (Balls to the wall) Come on, show me the sign of victory (Balls to the wall)You better watch the damned (God bless ya) They're gonna break their chains (Hey) No, you can't stop them (God bless ya) They're coming to get youAnd then you'll get your balls to the wall, man Balls to the wall You'll get your balls to the wall, man Balls to the wallYou'll get your balls to the wall, man Balls to the wall You'll get your balls to the wall, man Balls to the wallBalls to the wall Balls to the wall Balls to the wall (Balls) Balls to wall
