

You Love Me

Meat Puppets

You're the world and the everyone
Got a list of the things that you've done
Life's dirty and you know that it's true
Take a look at what is coming out of you You love me, you love me, you love me
My lamb, hoverin' in the moonlight
You love me, you love me, you love me
My lamb, hoverin' in the moonlight Little cheap, and it's never untrue
Never met, But I feel it in you
Ever think there is nothing that's wrong
In a world that is totally blasted You love me, you love me, you love me
My lamb, hoverin' in the moonlight
You love me, you love me, you love me
My lamb, hoverin' in the moonlight Little cheap, and it's everyone
Never met, but it's coming out of you
Ever think that it's everything wrong
In a world that is totally blasted You love me, you love me, you love me
My lamb, hoverin' in the moonlight
You love me, you love me, you love me
My lamb, hoverin' in the moonlight You love me, you love me, you love me
My lamb, hoverin' in the moonlight
You love me, you love me, you love me
My lamb, hoverin' in the moonlight
