

# Never Gonna Change

## Drive-By Truckers

Said I heard it all (all)  
I seen it all (all)  
Been through it all  
I've done it all  
Seen many things in my lifetime  
I've gone through so much pain in my lifetime  
I sat and I cried (cried)  
I ask God why (why)  
But I wouldn't change nothing in my life  
Cause the hood made me  
And I'm proud to be  
When I sang for yall  
I'm a always keep my  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on  
Said I can't forget (get)  
I won't forget (get)  
Where I come from  
Where I've been  
I never change  
I'm a be the same  
I'm a never switch up  
No matter what the game  
Yeah if you got me I got you  
To my niggas and my people  
When they see me  
They gone see yall  
Cause I'm always  
  
gonna keep my doo rag  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)

I'm a keep my doo rag on, on  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on  
Everybody sang with me Ohh  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on  
I'm a keep my doo rag on  
(Never gonna change I'm a be the same way)  
I'm a keep my doo rag on, on
